Business Listing Description (Short – 40 to 60 words):

Elham MultiPlast LLP is a trusted **manufacturer of HDPE plastic bottles** in India, offering high-quality custom and stock plastic bottles, jars, and containers. We serve various industries, including home care, agro, pharma, and personal care. We specialise in **liquid detergent bottles**, **pesticide bottles**, **toilet cleaner bottles**, **HDPE jerry cans**, and more.

Elham MultiPlast LLP is a premier **HDPE bottle manufacturer** and supplier of high-quality plastic bottles, jars, containers, and cans for a wide range of industries, including food & beverage, agrochemicals, pharmaceuticals, home care, veterinary, lubricants, and personal care. Our rapid turnaround time, ability to create custom moulds, and reliable quality are what set us apart.

With advanced R&D, modern production facilities, and highly qualified professionals, we specialise in producing and supplying:

- **Liquid Detergent Bottles**
- **Toilet Cleaner Bottles**
- **Plastic Jerry Cans**
- **Veterinary Bottles**

- **HDPE Pesticide Bottles**
- **Agrochemical Bottles**
- **Lubricant Bottles**
- **HDPE Jars**
- **Edible Oil Cans**
- **PET, PP, and HDPE Bottles**

As a reliable **HDPE bottle manufacturer near you**, we offer both proprietary and custom-designed blow-moulded plastic packaging solutions. All our products pass through rigorous quality checks, ensuring durability, compatibility with labelling, and overall product integrity.

Why Choose Elham MultiPlast LLP?

- Availability of custom moulds and sizes
- Timely delivery across India
- Competitive pricing without compromising on quality
- Advanced manufacturing technology
- Transparent and loyal client relationships

Our Mission

To provide innovative and durable packaging solutions that enhance our clients' brand value. With heavy investments in R&D and technology, we ensure our clients receive only the best in plastic packaging.

Our Vision

To become the leading name in plastic bottle manufacturing by offering value-driven, reliable, and premium-quality packaging products that serve and support various industrial sectors.
